

ÉCLAIRE 2nd Annual Meeting & GA, 15th -18th October, Edinburgh, UK

Monday 15th October 2012

09.30 - 17.00	Bosco Fontana Experiment - Data Analysis - CEH Edinburgh	
17.30 - 19.00	Executive Steering Group Meeting (followed by dinner)	H1

Tuesday 16th October 2012

08.00-09.00	Registration	
09.00-10.30	S1: Plenary Welcome and Introduction (Mark Sutton & Bill Bealey) Guest Speaker: Bruce Hungate <i>'From the globe to the cell and back: ecosystem science in a changing world'</i>	S
10.30-11.00	Coffee	
11.00-12.30	S2: Plenary - Component Leaders Overviews	S
12.30-13.30	Lunch	
13.30-14.00	S2: Plenary - Component Leaders Overviews (continued) including WP21 and Data Management Overview	
14.00-15.00	S3: Plenary - Young Scientists Presentations 1. Simon Schallhart - <i>Ecosystem scale VOC exchange measurements at Bosco Fontana (IT) and Hyttiälä (FI)</i> 2. Hector Calvete Sogo - <i>Gas Exchange, Yield And Biodiversity Response To O3 And Nitrogen Of B36 Annual Pasture Sown In Natural Soil</i> 3. Shyam Pariyar - <i>Effects of aerosol deposition on stomatal functions</i> 4. Kirsti Ashworth - <i>Bridging the gap: incorporating a canopy exchange process model in a DGVM</i>	S
15.00-15.30	Coffee	
15.30-17.00	S4: Component Introductions/Overview update from WP leaders. S2 C1 H1 C2	S4: Component Introductions/Overview update from WP leaders. S1 C3 H3 C4
17.00- 18.00	S1 Young Scientist Forum Data Management Committee S2	H2 C5
18.00-19.00	Free Time	
19.00	Drinks reception (The Scotch Whisky Experience)	

Wednesday 17th October 2012

09.00-10.00	S5: Plenary Sessions of Science Presentations 1. Eiko Nemitz: "The Bosco Fontana Experiment" 2. Laurens Ganzeveld: Global land use changes and canopy interactions 3. Dave Simpson and Juha-Pekka Tuovinen: ECLAIRE surface exchange model: first steps. 4. Carsten Skjøth: Sensitivity of ammonia emissions to spatial-temporal variations in climate and climate change 5. Ruth Doherty: Impacts of climate change on surface ozone and intercontinental ozone pollution: A multi-model study.					S2
10.00-10.30	Coffee					
10.30-12.30	S6: European Flux network WP1 Eiko Nemitz S2 C1	S6: European Scale modelling protocols & intercomparisons WP7 David Simpson H1 C2	S6: Regional scale variation in ecological responses and critical loads WP17 Mark Theobald H3 C4	S6: Data mining of interactions between air pollutants and ecosystem/plants WP9 Gina Mills & Alessandro Cescatti S1 C4 C3		
12.30-13.30	Lunch					
13.30-15.00	S7: European Flux network continued WP1 Eiko Nemitz S2 C1	S7: Emissions & ecological responses at European scale (WP5-7 and WP14-16) Wim de Vries & Almut Arneth S1 C2 C4		S7: Experiments and data: key response measurements and coordination of experiments . WP10 & 11 Francesco Loreto & Claus Beier H1 C3		
15.00-15.30	Coffee					
15.30-17.00	S8: Controlled studies on exchange processes WP2 Thomas Mentel & WP11 Francesco Loreto S2 C1 C3		S8: Integrating effects of air pollution under climate change in GAINS WP7, WP14-WP16 & WP18-WP20 Wilfried Winiwarter/ Markus Amann/Wim de Vries/Dave Simpson S1 C2 C4 C5			
17.00- 18.00	Gender Action Meeting					H3
18.00-19.00	Pre-dinner drink at the National Gallery of Scotland and Exhibition Viewing					
19.00	Meeting Dinner - The Scottish Café & Restaurant - National Gallery of Scotland					

Thursday 18th October 2012

09.00-10.30	S9: Modelling emission processes to upscaling on regional to global scale WP3 Benjamin Loubet & Chris Flechard <div>S2C1C2</div>	S9: Modelling air pollution-climate impacts on C stocks, biodiversity and critical load exceedances at local and European scale. WP12-16 and WP7 Chris Evans & Wim de Vries <div>S1C2C3C4</div>
10.30-11.00	Coffee	
11.00-12.30	S10: Surface Atmosphere Exchange Modelling WP4 Chris Flechard & WP7 David Simpson <div>S2C1C2</div>	<div>S10: Emissions & ecological responses at regional Scale: WP 8 Albert Bleeker & WP 17 Mark Theobald <div>S1C2C4</div></div> <div>S10: Round up & Future Programme of Work <div>H1C3</div></div> <div>S10: SCENARIOS WP 21 Wilfried Winiwarter <div>H3C1-C5</div></div>
12.30-13.30	Lunch	
13.30-15.30	General Assembly Speaker: Jose Jimenez Mingo - <i>European Commission perspective</i> (EC DG RTD Project Officer) Including: Component Updates, Data Management Updates, Reporting, Young Scientist Forum, Gender Reporting <div>S</div>	
15.30-16.00	Coffee	
16.00- 17.30	Joint meeting of the ESG and SAG <div>H1</div>	
17.30-19.00	ENDS	
19.00	Joint ESG/SAG Dinner
